Dr. Robert H. Bahmer
Archivist of the United States
General Services Administration
National Archives and Records Service
Washington, D. C. 20408

Dear Doctor Bahmer:

Mr. Helms has asked me to reply to the letter from Mr. Moody of April 7, 1967 asking that we designate someone to work with you in selecting and furnishing materials for future Presidential Libraries.

The arrangement we have had for selecting materials for the John F. Kennedy Memorial Library has been highly satisfactory from our point of view and it seems reasonable that we should continue it for the future. With this in mind, I am pleased to inform you that [redacted]

[redacted] CIA Records Administration Officer, has been designated to represent CIA in these matters.

We look forward to our continuing association with you in this highly important program.

Sincerely,

R. L. Bannerman
Deputy Director
